

Iowa Firefighters Memorial Park Brick Fundraiser

When the Iowa Firefighters Memorial Park was built in 1993, the donations of many local contributors made the park possible.

The Iowa Firefighters Memorial Park Brick Fundraiser Project is an effort to recognize those donors, and is a thoughtful way for future donors to contribute in the name of a loved one, honor a family, or recognize an organization. Bricks will pave the donor plaza sidewalk at the Iowa Firefighters Memorial Park.

Brick Options

- _____ 6x6 \$100 includes up to four lines, with a maximum of nine characters per line.
- _____ 6x12 \$200 includes up to four lines, with a maximum of eighteen characters per line.
- _____ 12x12 \$350 includes up to five lines, with a maximum of eighteen characters per line.

Funds raised will be used to maintain and improve the Iowa Firefighters Memorial Park.

Your Engraved Message
